

Alumni Day 2008: A Milestone Occasion

Thanks to returning alumni, **Alumni Day 2008: A Celebration of Pitt Nursing on Saturday, May 3**, was a memorable occasion. The Nursing Alumni Society Executive Committee, along with Dean Jacqueline Dunbar-Jacob, hosted this annual event.

The day began at the School of Nursing with a Welcome Reception, self-guided tour and presentations by the 2008 Distinguished Alumni: Pearl Moore and Dr. Terri Weaver. Alumni guests then moved to The Twentieth Century Club for lunch and program.

Highlights of the program included presentation of the 2008 Distinguished and Honorary Alumni Awards, and recognition of milestone reunion classes and student scholars.
