

**Show off your Pitt Nurse Pride in Style...many alumni already are!**

The Nursing Alumni Society's Pitt Nursing bracelet fundraiser continues to be a success! The bracelet has been created especially for alumni, students and friends. Made of sterling silver beads and Swarovski crystals, the bracelet features blue and khaki crystals. Each piece is handcrafted and strung on 49-strand stainless steel nylon-coated wire. Bracelets, available in 7" – 7 ½" – 8" lengths, can be ordered in two styles – one features more sterling silver beads (*Style 1 below*) while the other features more crystals (*Style 2 below*). Each style comes with a nursing cap charm, and customers may choose between a lobster claw or toggle clasp. Bracelets sell for \$50 each.

When ordering, please make sure to specify length, style and clasp. Download order form below. Any questions can be directed to the School of Nursing Alumni Office at 412-624-2404. Proceeds benefit student activities and scholarship.

**Style 1** – This style has more Silver

**Style 2** – This style has more Crystal
