

# *Congratulations!*

*Dean Jacqueline Dunbar-Jacob  
2007 Pathfinder Distinguished  
Research Awardee*

---

Jacqueline Dunbar-Jacob, PhD, RN, FAAN, professor and dean of nursing, received the prestigious 2007 Pathfinder Distinguished Research Award at the Friends for the National Institute of Nursing Research (FNINR) NightinGala on October 24, 2007. The Pathfinder Award is given by FNINR to acknowledge nurse researchers whose work has focused on advancing deep understanding of human health and healthcare, and has been sustained by multiple grants from NINR.

**Dean Dunbar-Jacob was recognized for her nursing research that has made a difference in the lives of people with health care needs.**
