UNDERGRADUATE PROGRAM**

TITLE OF POLICY: PROGRAM HONORS FOR RN OPTIONS STUDENTS

ORIGINAL DATE: May 2001

LAST REVIEWED/REVISED: February 2004

POLICY: A RN Options Student will be graduated from the baccalaureate program with School of Nursing Honors provided that he or she has an overall QPA in courses taken at the University of Pittsburgh of at least 3.5 at the time of graduation. This designation will be based on University of Pittsburgh credits that are being counted towards the BSN, and will be listed on the official transcript. Honors will be determined following review of all academic work when the Student Services Office provides final certification for graduation.
