

October 2-8

**National
Midwifery Week**

2016

As part of **National Midwifery Week**

Please join us for a special screening of

Bringin' in Da Spirit

Bringin' in Da Spirit is a documentary honoring the accomplishments of African-American midwives. Through the use of first person narrative and rare archival images, this documentary provides a moving glimpse of the women who have skillfully brought scores of children across the threshold of existence.

Following the screening will be a panel discussion about the future of midwifery in Pittsburgh and the **Pitt Nursing BSN-DNP Nurse-Midwife program**.
