Undergraduate Nursing Students

Planning to Enroll in a Summer Course at ANOTHER College or University

- Liberal arts courses from PA institutions listed here are pre-approved and do not require permission to enroll. You should verify with your advisor that the Pitt course will fulfill the liberal arts requirements for your program of study.

- Other courses from PA institutions or an out-of-state institution require you to submit the attached “Permission to Enroll at Another College or University” form along with that school’s course description.

- Repetition of a nursing course requires both a permission form and full course description.

In order to receive credit for the course, you must earn a grade of “B” or better for science courses, and a grade of “C” or better for all other courses. Additionally, request an OFFICIAL TRANSCRIPT to be sent to the University of Pittsburgh, School of Nursing, Student Affairs & Alumni Relations, 240 Victoria Building, Pittsburgh, PA 15261.

The completed form and course description/s are either emailed to the Director of Academic Advisement, jlb366@pitt.edu, or submitted to Student Affairs & Alumni Relations. You will be notified following the review process.

If you have any questions, please make an appointment to see your advisor.
