Other Classes Taught

In addition to the above one time lectures, I have designed and taught numerous classes and courses during my years in inservice at UPMC-Presbyterian, my years as Director of Nursing Education at Butler, my years in Risk Management at UPMC Shadyside and as a guest lecturer at several organizations. The most common topics of these classes and courses have been legal issues, cardiology, arrhythmias, physical assessment, teaching strategies, management topics, and basic patient care skills for nursing assistants.
