

CURRICULUM VITAE

Name: Susan Watters Wesmiller, PhD, RN
Birthplace: Pennsylvania, USA

School Address: 440 Victoria Building
University of Pittsburgh School of Nursing
Pittsburgh, Pennsylvania 15261
Tele: 412-383-7270
Email: swe100@pitt.edu

EDUCATION

1973-1977	University of Pittsburgh School of Nursing Pittsburgh, PA	BSN	Nursing
1981-1993	University of Pittsburgh School of Nursing	MSN	Medical Surgical Nursing/Pulmonary Clinical Nurse Specialist
2006-2010	University of Pittsburgh School of Nursing	PhD	Nursing

RESEARCH TRAINING

2011-2013	University of Pittsburgh School of Nursing T32 NR011972A	Postdoctoral Scholar T32 NR011972-05 Training of Nurse Scientists in Cancer Survivor Research
June, 2011	Summer Genetics Institute	NIH/ NINR
July, 2014	Big Data Boot Camp	NIH/NINR

APPOINTMENTS AND POSITIONS

2013-present	University of Pittsburgh School of Nursing	Assistant Professor Health Promotion and Development
2014–present	University of Pittsburgh University of Pittsburgh Cancer Institute	Assistant Professor Biobehavioral Oncology Program
2008- 2011	University of Pittsburgh School of Nursing	Part time Faculty/ Teaching Fellow

1993 - 2008	University of Pittsburgh Medical Center UPMC Presbyterian - Pittsburgh, PA	Director, Nursing Education and Research
1993 - 2008	University of Pittsburgh School of Nursing	Adjunct Instructor
1985 - 1992	University of Pittsburgh School of Nursing Dr. Leslie Hoffman, PI	Project Director Concealed Oxygen Delivery Studies
1983 - 1985	Presbyterian-University Hospital Pittsburgh, PA	Clinical Instructor Nursing In-service Education
1980 - 1983	Presbyterian-University Hospital	Part-time Staff Nurse
1979 - 1980	Presbyterian-University Hospital	Clinical Instructor Nursing In-service Education
1978 - 1979	Maple Avenue Hospital DuBois, PA	Head Nurse 27 Bed Surgery Unit
1977 - 1978	Presbyterian-University Hospital Hospital	Staff Nurse/Charge Nurse

RESEARCH

(2018) *Genomic Underpinnings for Breast Cancer Treatment Induced Nausea and Vomiting*. NIH: National Institute of Nursing Research, 1RO1NR016695, Principal Investigator. Total award \$1,306,428.

(2016) *Exploring the Effect of Nausea and Vomiting on Symptom Self-management in Women during Treatment for Breast Cancer*. Ruth Perkins Kuehn Research Award, University of Pittsburgh \$20,355.

(2015) *Phenotyping Neoadjuvant Chemotherapy Induced Nausea and Vomiting*. University of Pittsburgh Central Development Research Fund, \$16,000.

(2014) *An Epigenetic Approach to Studying Nausea and Vomiting in Women following Breast Cancer Surgery – A Feasibility Project*. Funded by the University of Pittsburgh School of Nursing, Center for Research and Evaluation, Pilot/Feasibility Study Program. \$15,000.

(2013) *Exploration of Genes of the Dopamine Pathway and Postoperative Nausea and Vomiting in Women with Breast Cancer*. A Pilot Study funded by the University of Pittsburgh, School of Nursing, as part of the Genetics/Genomics HUB Award, Yvette Conley, Principal Investigator. \$8000.00

(2011). *Variability of Genes of the Serotonin Pathway and Postoperative Nausea and Vomiting in Women with Breast Cancer*. Funded by the Oncology Nursing Society Foundation, \$10,000.00

(2009). *The Association of mu-Opioid Receptor and CYP2D6 Genotypes and Postoperative Nausea and Vomiting*. Funded by Eta Chapter, Sigma Theta Tau. \$2,500.00

(2007, 2008) *Loaned Faculty Initiative*. Principal Investigator, Grant from the State of Pennsylvania, Workforce Investment Board to partner with the University of Pittsburgh for clinical faculty support. \$200,000.

(2006) *Effective Communication Strategies: Helping to Improve Co-Worker Relationships*. Co-investigator with Catherine M. Witsberger. Funded by the National Nursing Staff Development Organization. Direct Costs 1,000.

(1999 – 2001) *Welfare to Work Grant. Hospital Based Training*. Principal Investigator, pilot project funded by the city of Pittsburgh. Direct Costs, \$26,000.

(1989 - 1992) *Use of concealed and traditional delivery of oxygen*. 2R01 NR01086-04 competing continuation of R01 NR01086. National Center for Nursing Research. Project Director, 100% effort. Direct Costs: \$564,000. (L. A. Hoffman, R.N., Ph.D., Principal Investigator.)

(1985 -1988) *Nasal cannula & transtracheal delivery of oxygen* R01 NR01086 National Center for Nursing Research. Project Director, 100% effort. Direct Costs \$236,000. (L. A. Hoffman, RN, PhD, Principal Investigator).

HONORS and AWARDS

June, 2017	University of Pittsburgh Cancer Institute Junior Scholar Award in Population Sciences Cancer Research
September, 2016	Ruth Perkins Kuehn Research Award – University of Pittsburgh School of Nursing
September, 2015	Pennsylvania Nightingale Finalist Award for Academic Educator
May, 2012	University of Pittsburgh Postdoctoral Association Best of Show Poster Award.
May, 2011	Selected as one of 24 Nurse Scholars to attend the 2011 NIH Summer Genetics Institute, sponsored by the National Institute of Nursing Research.
March, 2008	State of Pennsylvania Center for Health Careers Best Practice Award for the Loaned Faculty Initiative with the University of Pittsburgh School of Nursing.
December, 2007	Josiah Macy Jr. Foundation Conference “Continuing Education in the Health Professions: Improving Healthcare through Lifelong Learning. One of seven nurses invited to participate in the three day conference that examined the complex issues of continuing education.
March, 2000	Governor’s Achievement Award for a” Hospital Based Nursing Assistant Program for the state of Pennsylvania,” Welfare to Work Program.

- July, 1995 National winner for editorial excellence in the technical article category from the American Society of Business Press Editors for Tasota, F., & Wesmiller, S. (1994). Assessing ABG's. *Nursing94*, 24, 5, 34-46.
- December, 1990 Sigma Theta Tau Ruth Perkins Kuehn Award
Presented by Eta Chapter, Sigma Theta Tau for outstanding scholarship, leadership, professional ability and potential for professional contribution.
- December, 1982 Sigma Theta Tau, Eta Chapter

MEMBERSHIP IN PROFESSIONAL AND SCIENTIFIC SOCIETIES

- 2008 - Present **International Society of Nurses in Genetics (ISONG)**
Director at Large (Elected Position) 2017- 2019
Research Committee 2013 to present
Chair, 2013 – 2015
Congress Planning Committee 2013 to present
Congress Chair 2017
Congress Co-Chair 2016
- 2009 - Present **American Nurses Association**
Pennsylvania Nurses Association
- 2009 - Present **American Society for Perianesthesia Nurses**
Research Committee
- 2010 - Present **Oncology Nursing Society**
Putting Evidence into Practice (PEP): CINV Committee, 2012 – present
2014, 2017 Research Grant Review Team
2013 Research Priorities Survey Project Team
2018 Research Priorities Taskforce
- 2017 – Present **Multinational Association of Supportive Care in Cancer**, member
- 1982 - Present **Sigma Theta Tau**
1988 - 1990 Secretary, Eta Chapter
1992 - 1995 Chair, Research Committee
2017 - Undergraduate Counselor
- 1977 - Present **University of Pittsburgh, School of Nursing Alumni Association**
1991 - 1993 Executive Board, Baccalaureate Representative
1994 - 1995 First Vice President
1995 - 1997 President and School of Nursing Representative to General Alumni Council
1997 - 1999 Past President, Bylaws Chair
- 1984 - 2004 **American Thoracic Society**
1990 - 1994 Program Committee, Nursing Assembly
1992 - 1993 Secretary, Nursing Assembly
1993 - 1995 Chair, Nursing Assembly Long Range Planning Committee

(March, 2016). The Relationship of Age to Postoperative Symptoms in Women following surgery for

Breast Cancer.Sigma Theta Tau, Eta Chapter, Scholar Days. Presentation with Christina Kudach.

(November, 2015) Annual UPCI Womens Cancer Research Center Scientific Retreat, Nemaconlin, PA. Serotonin transport gene polymorphisms and nausea and vomiting in women with breast cancer following surgery and prior to adjuvant therapy.

(June, 2013). Serotonin transport gene polymorphisms and nausea and vomiting in women with breast cancer following surgery and prior to adjuvant therapy. Annual UPCI Scientific Retreat, Pittsburgh PA.

(March, 2008) Loaned Faculty Initiative. Pa Center for Health Careers first annual conference. Redefining Excellence. Presented with Helen Burns, RN, PhD. Hershey, PA.

(November, 2001). Integrating Educational programs across a Health System. Duke and University of North Carolina sponsored Conference on Excellence in Staff Development. Raleigh, NC. Presentation with Constance Feiler.

(September, 2000). Development of a Successful Welfare to Work Program. Commonwealth of Pennsylvania, Annual Welfare Program Meeting, Harrisburg, PA.

(September, 1996). The effects of Managed Care on the Advanced Practice Nurse. New Jersey & Pennsylvania Thoracic Societies Annual Meeting. Philadelphia, PA.

(September, 1994). Pulmonary Rehabilitation. Annual Meeting Scientific Session of the Pennsylvania Thoracic Society. Philadelphia, PA.

(Nov. 1993). Decision Making in Patients who chose to Participate in Clinical Trials. Qualitative Nursing Research Substance and Form. Sponsored by: Alpha Nu Chapter, Sigma Theta Tau, International and the College of Nursing, Villanova University. (With L. Dudjak & K. Sekula).

OTHER SCHOLARLY ACTIVITIES

2007 - 2009	Lifelong Learning in Medicine and Nursing Initiative – An extension of the Josiah Macy Foundation Continuing Education in the Health Professions: Improving Healthcare through Lifelong Learning. This National Committee met annually to focus on integrating continuing education in the health sciences.
2008 - 2018	Reviewer for the <i>Journal of Continuing Education in Nursing</i>
2012 - Present	Reviewer for the <i>Journal of PeriAnesthesia Nurses</i>
2015 – Present	Reviewer for <i>Biological Research in Nursing</i>
2015 – Present	Reviewer for <i>Oncology Nursing Forum</i>
2016 – Present	Reviewer for PLOS Guest Editor for "Effects of palonosetron for prophylaxis of postoperative nausea and vomiting in high-risk patients undergoing total knee arthroplasty: A prospective, randomized, double-blind, placebo-controlled study."

2006 - 2011	Workforce Investment Board, Department of Labor and Industry, State of PA Clinical Education Committee
2003 - 2011	University of Pittsburgh Institutional Review Board
2014- 2016	Planning Committee for two International Conferences on the Biology of Nausea and Vomiting, NIH funded and sponsored by the University of Pittsburgh Cancer Institute.

SERVICE

Current University Committees 2016-2019

Member, University Senate Student Admissions, Aid and Affairs Committee.

Current School of Nursing Committees

BSN Council
PhD Council
PhD Curriculum Committee
NCLEX Task Force
Research Curriculum Task Force
Faculty Advisor, Student Nurses Association of the University of Pittsburgh

ACADEMIC TEACHING ACTIVITIES

Spring 2017 – Present

University of Pittsburgh School of Nursing
Primary Teacher for NUR0067 – Introduction to Nursing Research
Sophomore Level Course – 40-72 students

Fall 2014 – Present

University of Pittsburgh School of Nursing
Primary Teacher for NUR1680 Introduction to Human and Molecular Genetics
Senior Level Course 80-100 students each term

Summer 2015, Summer 2017 (taught every other year)

University of Pittsburgh School of Nursing
NUR 2681 Advanced Topics in Human Genetics
With Dr. Yvette Conley
Seminar course for doctoral students with genetic focus

Fall 2013 – Fall 2014

University of Pittsburgh School of Nursing
Primary Teacher for NUR1635 Ethics in Nursing and Health Care
