

**Andrea F. Rodgers Fischl, PhD**

**Curriculum Vitae**

**Business Address:** 440 Victoria Building  
3500 Victoria Street  
Pittsburgh, Pennsylvania 15261

**Telephone:**  
412-624-5054(Business)  
412-624-8521(Business Fax)

**E-mail:** [afr4@pitt.edu](mailto:afr4@pitt.edu) (Business)  
[raf2468@comcast.net](mailto:raf2468@comcast.net)(Home)

**Citizenship:** USA

**EDUCATION:**

**Undergraduate**

BS (1975) University of Pittsburgh  
Neurophysiology and Physiological Psychology  
Pittsburgh, Pennsylvania15261

**Graduate:**

MPH (1980) University of Pittsburgh  
Graduate School of Public Health

Department of Epidemiology  
Pittsburgh, Pennsylvania 15261

PhD (2008)

University of Pittsburgh  
School of Nursing  
Areas of Concentration: Epidemiology, Biostatistics  
Pittsburgh, Pennsylvania 15261

**Post-Doctoral**

Postdoctoral Fellow (6/15/09-6/14/11)  
Technology: Research in Chronic and Critical Illness  
T32: NR 008857  
University of Pittsburgh School of Nursing  
440 Victoria Building  
3500 Victoria Street  
Pittsburgh, Pennsylvania 15261  
Areas of Concentration: Health Policy and Economics

**OTHER TRAINING AND  
EDUCATION:**

Registered Nurse

Presbyterian-University Hospital  
School of Nursing  
Pittsburgh, Pennsylvania 15213

University of Pittsburgh

Certified Registered  
Nurse Practitioner

School of Medicine  
Nurse Practitioner Program  
Pittsburgh, PA 15261

Post-Master's Degree

University of Pittsburgh  
Graduate School of Public Health  
Department of Epidemiology  
Pittsburgh, PA 15261

**APPOINTMENTS AND  
POSITIONS**

Assistant Professor  
(September, 2017-  
present)

Health Promotion and Development  
440 Victoria Building  
3500 Victoria Street  
Pittsburgh PA 15261  
University of Pittsburgh School of Nursing

Consultant: Medical  
Management (April 2018-  
present)

1603 Fieldstone Lane  
Sewickley PA 15143

Scientific Advisor  
(January, 2012-2018)

Wright Therapy Products, Inc  
103-B International Drive  
Oakdale, Pennsylvania 15071  
University of Pittsburgh School of Nursing

Research Assistant  
Professor (June 2010-  
2017)

Health Promotion and Development  
440 Victoria Building  
3500 Victoria Street  
Pittsburgh PA 15261

Project Administrator:  
NP-PittNet  
(an AHRQ PBRN:  
June 2010-present)

University of Pittsburgh School of Nursing  
440 Victoria Building  
3500 Victoria Street  
Pittsburgh PA 15261

Postdoctoral Fellow  
(6/15/09-6/14/11)

Technology: Research in Chronic and Critical Illness  
T32: NR 008857  
University of Pittsburgh School of Nursing  
440 Victoria Building  
3500 Victoria Street  
Pittsburgh, Pennsylvania 15261

(Areas of Concentration: Health Policy, Economics and Cost Effectiveness)

Graduate Student  
Researcher (2003-2008)

University of Pittsburgh

School of Nursing

READY-Girls 2002 ADA Grant

Pittsburgh, Pennsylvania 15261

Nurse Practitioner (1978-  
1998)

Private Practice

Primary Care

Pittsburgh, Pennsylvania 15220

Administrator (1989-2000) Practice Administrator

Fischl Surgical Center

Edwin C. Fischl, MD

Pittsburgh, Pennsylvania 15202

Research Associate  
(1985-1989)

University of Pittsburgh

Graduate School of Public Health

Department of Epidemiology

Epidemiology of Diabetes Complications

Pittsburgh, Pennsylvania 15261

Consultant (1983-  
1984)

University of Pittsburgh

Graduate School of Public Health

Department of Epidemiology  
Hypertension is Preventable Grant  
Pittsburgh, PA 15261

Project Coordinator  
(1981-1984)

University of Pittsburgh  
Graduate School of Public Health  
Department of Epidemiology  
Diabetes in Early Pregnancy Project  
Pittsburgh, Pennsylvania 15261

Project Director (1979-  
1981)

Eli-Lily Company  
Children's Hospital of Pittsburgh  
Department of Endocrinology  
Insulin Efficacy and Safety Study  
Pittsburgh, Pennsylvania 15213

Adjunct Professor (1980-  
1982)

LaRoche College  
Department of Nursing: Physical Assessment  
Allison Park, Pennsylvania 15237

Teacher (1978-1979)

Shadyside Hospital School of Nursing  
Critical Care and Leadership  
Pittsburgh, Pennsylvania 15232

Teacher (1975-1978) Shadyside Hospital School of Nursing  
Teacher  
Microbiology  
Pittsburgh, Pennsylvania 15232

Nurse Practitioner (1976-1978) Dr. Robert Carroll  
Pittsburgh, Pennsylvania 15237

Assistant Teacher(1973-1975) Shadyside Hospital School of Nursing  
Medical Surgical Nursing  
Pittsburgh, Pennsylvania 15232

Coronary Care/ICU Staff Nurse (1972-1973) Jewish Hospital of St. Louis  
Washington University  
St. Louis, Missouri 63108

Acute Medicine Staff Nurse (1970-1972) Presbyterian University Hospital  
Pittsburgh, Pennsylvania 15213

### **LICENSURE AND CERTIFICATION**

Current Registered Nurse Pennsylvania  
Current Certified Registered Nurse Practitioner Pennsylvania

### **HONORS AND AWARDS**

Clinical Partner to Pennsylvania's Diabetes Prevention Plan to Scale and Sustain the National Diabetes Prevention Program

2018

Agency for Healthcare Research and Quality's PBRN Fellowship Program

- 2016 Key Leader: Alliance to Improve Community-Clinical Partnerships (AICCP), Pennsylvania State Department of Health and the Health Promotion Council
- 2015
- 2015 Finalist AHRQ Intramural Summer Fellowship
- 2011 University of Pittsburgh's Applicant for the Robert Wood Johnson Foundation Health Policy Fellowship
- 2010 The Dartmouth College Institute for Health Policy and Clinical Practice Summer Fellowship
- 2008 Ruth Perkins Kuehn Research Award Sigma Theta Tau, Eta Chapter
- 2008 Sigma Theta Tau, National Nursing Honor Society

**MEMBERSHIP IN PROFESSIONAL AND SCIENTIFIC SOCIETIES**

- Current Sigma Theta Tau
- Current Nurse Practitioner Association of Southwestern Pennsylvania (Treasurer 2015-2017)
- Current PA Coalition of Nurse Practitioners( Treasurer: NPASP 2015-2017, Research Committee 2016-present)

**Title:** *NP-PittNet* Nurse Practitioner Knowledge and Perceptions of PA cAARDs!:

A University of Pittsburgh School of Nursing, *NP PittNet*, and PHMC Proposed Collaborative (2014-2015)

This study assessed Nurse Practitioner members of NP-PittNet, an AHRQ registered Practice Based Research Network, awareness of PA cAARds!, a Pennsylvania state intervention that targets the dual diagnosis of Diabetes and Tobacco Use using the Ask, Refer, Refer method . The purpose of this study was to 1) assess *NP-PittNet* NPs' awareness, knowledge, and utilization of PAcAARds! , and 2) explore interest and feasibility of PAcAARds! as a mobile health application for utilization in the referral process and follow-up continuity of care strategies

Role: Co-Investigator 10% effort  
Amount awarded: \$600,000

Clinical Translational Science Institute: University of Pittsburgh (2013) UL1 RR024153 06  
This study plans, implements, and evaluates a CEU program for CRNP's who are *NP-PittNet* members; an AHRQ registered Practice Based Research Network, and utilizes an Expert-Model Framework to provide evidence based Diabetes Prevention program guidelines. Strategies are presented to change the behavior of the health care providers when counseling patients at risk for Type 2 Diabetes.  
Role: Principal Investigator and Project Administrator 50% effort  
Amount awarded: \$33,219

Clinical Translational Science Institute: University of Pittsburgh (2012) 5UL1RR02413  
This study recruited certified licensed Nurse-Practitioners from 3 surrounding Pennsylvania regions to the University Of Pittsburgh School Of Nursing for interest in joining *NP-PittNet* and asked both the NPs and their respective primary care Practice Administrators to identify barriers/facilitators to implementation of evidence based practice guidelines into their clinical practices.  
Role: Co-Investigator and Project Director  
Amount awarded:\$104,050

Clinical Translational Science Institute: University of Pittsburgh: UR 1RR024153 1/10-06/10  
**Title:** CTSI: Nurse Practitioner-Practice Based Research Network (2010)  
This study developed and characterized the infrastructure for a Nurse-Practitioner-Practice Based Research Network (*NP-PittNet*). This PBRN was registered with the Agency for Health Care Research and Quality's (AHRQ) National PBRN Center as a developing NP-PBRN and stated its mission statement as "*to enhance the translation, implementation and dissemination of evidence-based research into clinical practice for Nurse Practitioners, to develop and evaluate strategies to remove barriers for clinical translation and to foster collaboration in clinical research...*"  
Role: Principal Investigator and Co-project Director  
Amount awarded: \$10,000

## **SCHOLARLY ACTIVITIES**

**Conferences Attended: (2009-2016)**

*2016 North American Primary Care Research Group: PBRN Conference July 11-12, 2016.  
Bethesda, Maryland*

*2015 National Center on Health Statistics: August 2015 Bethesda Maryland*

*36th Annual Meeting & Scientific Sessions of the Society for Behavioral Medicine April 2015  
San Antonio Texas (Poster Presentation)*

*26<sup>th</sup> Eastern Nursing Research Society Conference  
April 2014 Philadelphia PA (Podium presentation)*

*AHRQ National PBRN Conference  
June, 2012 Bethesda, MD (Collaborative Poster Presentation)*

*2011 AHRQ National PBRN Research Conference  
June 16-18, 2010  
Bethesda, MD*

*2011 NIH 4<sup>th</sup> Annual Science of Dissemination and Implementation  
March 21-22, 2011  
Bethesda, MD*

*2010 AHRQ National PBRN Research Conference  
June 16-18, 2010  
Bethesda, MD*

*2010 National Conference on Health Statistics  
August 16-18<sup>th</sup>, 2010  
Washington DC*

*2009 AHRQ National PBRN Research Conference  
June 24-26, 2009  
Bethesda, MD*

*5<sup>th</sup> Annual Center for Research in Chronic Disorders Grant Writing Workshop  
July 12-17, 2009  
Pittsburgh, PA*

*K Award Workshop  
Academic Career Development for the Health Sciences  
October 29, 2009  
Pittsburgh, PA*

*22<sup>nd</sup> Eastern Nursing Research Society Conference  
Providence Rhode Island  
March 24-26<sup>th</sup>, 2010*

**Additional University of Pittsburgh Courses (Post PhD)**

**Cost-effectiveness Analysis:** CLRES 2120 / HSADM 2220 (September, 2009-October 30, 2009)

Professors: Mark Roberts, MD  
Ken Smith, MD

Course Objective: *To provide the concepts and techniques used in the evaluation of health care programs.*

**Clinical Decision Analysis:** CLRES 2121/ HPM 2217(November 1, 2009-December 20, 2009)

Professors: Mark Roberts, MD  
Ken Smith, MD  
Cindy Byrce, PhD

Course Objectives: *1) To develop a conceptual understanding of medical decision making, 2) to develop technical skills in decision analysis through the creation and evaluation of medical decision trees, sensitivity analysis and incorporation of specific patient population preferences.*

**Microeconomics Applied To Health:** HPM 2028

(GSPH-Health Policy and Management: September, 2009-December, 2009)

Professor: Chyongchiou Jeng Lin, PhD

Course Objectives: *1) discuss microeconomic theories associated with resource allocation with emphasis on the role of markets focusing on the competitive model 2) to discuss the use of economic concepts drawn primarily from the health and medical care delivery systems.*

**Health Policy Analysis** (HPM 2064 Health Policy Analysis)

GSPH-Health Policy and Management: January, 2010-April, 2010)

Professor: Julie Donohue, PhD

Course Objective: *1) the develop the ability to identify the key problems facing the U.S. health system, 2)to provide an in-depth understanding of current health policy proposals aimed at addressing those problems, and 3) to provide an introduction to policy analysis tools useful for defining policy problems, assessing alternative solutions and examining effects of health policies.*

2009-2011:

**Weekly Health Policy Seminars** (Tuesday, 12-1pm)

**Mentored Activities (2010-2011)**

Southwest and Southern Alleghenies Pennsylvania counties State Nurse Practitioner Survey for interest in the NP-PittNet Practice Based Research Network Mentor: Dr. Dunbar-Jacob

Cost of Illness for the Pittsburgh Epidemiology of Diabetes Complications Study Participants  
Mentor: Dr. Tom Songer
