Education and Training

Undergraduate

May 1983: LAROCHE COLLEGE, BSN
August 1976: MERCY HOSPITAL SCHOOL OF NURSING, RN

Graduate

April 1997: UNIVERSITY OF PITTSBURGH, MSN, PEDIATRIC NURSE PRACTITIONER
December 1986: UNIVERSITY OF PITTSBURGH, MSN, NURSING EDUCATION

Postgraduate

December 2011 DNP, UNIVERSITY OF PITTSBURGH

Appointments and Positions

*CURRENT

Academic

*July 2001 – current: **UNIVERSITY OF PITTSBURGH**, Assistant Professor, Coordinator Pediatric Nurse Practitioner Program; responsible for PNP curriculum development, evaluation and revision, recruitment of quality PNP student candidates and reporting responsibilities to certification boards and SBON; teaching responsibility for pediatric content in multiple graduate courses; primary instructor for pediatric courses: *Management of Adolescent Health Problems Theory (online and onsite)*, *Adolescent clinical course*, *Well Child Care Theory*; responsibilities as clinical preceptor for student nurse practitioners in Primary Care and Adolescent Health; Scholarly activities, including committee work with students completing DNP projects, advisee responsibilities and SON committee work as assigned.

August 2007 – June 2008: **DUQUESNE UNIVERSTIY**, Faculty: Part time nursing instructor for second degree BSN program; some didactic responsibilities with primary role as clinical instructor for fundamental/health assessment/introduction to technologies course, psychiatric nursing, critical care and nursing leadership courses.

July 2001 – March 2007: **UNIVERSITY OF PITTSBURGH**, CRNP for Early Child Care Study, collect data on pubescent boys/girls for supplemental grant to monitor pubertal changes over time. Formal nationally recognized training in sexual maturity rating.

July 2001 – July 2003: **UNIVERSITY OF PITTSBURGH**, Project Director for research study: Psycho-developmental Biology of Premature Adrenarche; Responsible for managing National Institute of Health R01 Grant; involved in development of measurement tools, protocols and procedures; working with pediatric endocrinologists at Mercy and Children's Hospitals in recruitment of subjects, as well as recruiting control subjects in the community, collecting data on mothers and 6-8 year old girls, beginning data analysis.

September 1995 - April 1997: **UNIVERSITY OF PITTSBURGH**, Research assistant:

Collected and analyzed data for a research grant sponsored by the National Institute of Health of *Smoking Cessation Intervention for Pregnant Adolescents*. Reported directly to Dr. Susan Albrecht.

January 1992 - December 1995: **DUQUESNE UNIVERSITY, Clinical Instructor**: Involved in psychiatric and pediatric nursing courses. Responsible for clinical rotation of junior-level nursing students in Psychiatric/Mental Health Nursing course on general adult psychiatric unit at St. Francis Medical Center. Responsible for clinical rotation of senior-level nursing students in Nursing Care of Children course on medical unit at Children's Hospital of Pittsburgh. Responsibilities include direct supervision, clinical teaching, and evaluation of student performance.

May 1987 - July 1988: **LOUISE SUYDAM MCCLINTOC SCHOOL OF NURSING, Nursing Faculty**: First level instructor involved in 3 courses: Introduction to Nursing, Basic Nursing Concepts and Adult Health Nursing. Responsible for integrating psychosocial and psychiatric concepts throughout first level courses. Supervised freshman students on clinical units at St. Margaret Memorial Hospital. Concurrent evaluation of newly integrated curriculum occurred with revisions as indicated. Served on faculty committees: faculty organization and admissions, hospital committee and patient education; faculty advisor to student organization. Active involvement in counseling students for personal, academic and career concerns - individual and group sessions.

November 1984 - May 1987: **OHIO VALLEY GENERAL HOSPITAL SCHOOL OF NURSING, Nursing Faculty**: Primary instructor for psychiatric nursing and clinical instructor for medical-surgical and fundamental nursing courses. Supervised junior level students in psychiatric clinical rotation at Mayview State Hospital, and organized/supervised community mental health experiences. Also involved in medical-surgical/fundamental rotations at Ohio Valley Hospital. Served as member of hospital and faculty committees; chaired student clinical evaluation committee. Counseled students regarding personal, academic, and career.

May - December 1986: **UNIVERSITY OF PITTSBURGH GRADUATE SCHOOL OF NURSING, Graduate Student Assistant**: Assisted with teacher-related activities for graduate level Nursing Education course. Assisted in research study: reviewed literature, reviewed patient charts and interviewed subjects in pilot study in an outpatient clinic. Submitted proposal to university with approval for further research. Reported directly to Dr. Joan Watson.

Non-Academic

*April 2014-current: **CHILDREN'S HOSPITAL OF PITTSBURGH DIVISION OF ADOLESCENT MEDICINE, CRNP staff, faculty preceptor**: Direct patient care in the adolescent clinic as CRNP staff and precept University of Pittsburgh School of Nursing DNP students

*2001-current: **EAST SIDE PEDIATRICS, Pediatric CRNP**: Primary care provider for large, urban pediatric practice which includes care of children, newborn through age 21 years; specialization in comprehensive adolescent health care and responsible for all gynecological care of teens in the practice. Collaborates with and supervised by board certified pediatricians, including implementation of collaborative agreement for prescriptive privileges. Responsibilities include office management.

1999-2001: **ST. FRANCIS MEDICAL CENTER, Pediatric CRNP**: Primary care provider for large, urban pediatric practice which includes care of children, newborn through age 21 years; specialization in comprehensive adolescent health care and responsible for all gynecological care of teens in the practice. Collaborates with and supervised by board certified pediatricians, including implementation of collaborative agreement for prescriptive privileges. Responsibilities include office management.

1997 – 1999: **ALLEGHENY GENERAL HOSPITAL, Pediatric CRNP**: Primary care provider for large, urban pediatric practice which includes care of children, newborn through age 21 years; specialization in comprehensive adolescent health care and responsible for all gynecological care of teens in the practice. Collaborates with and supervised by board certified pediatricians, including implementation of collaborative agreement for prescriptive privileges. Responsibilities include office management.

July 2003-February 2007: **THE BRADLEY CENTER, Administrator of Nursing and Health Services**: Responsible for management of nursing and medical records departments at a mental health residential treatment facility for 210 children and adolescent residents and school nurse responsibilities for all children including 50 alternative education day students; responsibilities included operational activities, direct supervision and performance evaluation of nursing coordinators, physical health care liaison, and medical records director, ongoing policy review/revision with medical

staff, recruitment/retention activities with human resources director and staff orientation/education with director of training, and coordination of all under graduate and post graduate school certification student nurses' experiences; responsible for development of on-site physical health care program and ongoing management of primary care for these children with direct supervision of nurse practitioners and physician's assistant; works directly with board certified psychiatrists and pediatricians to manage comprehensive care of residents; primary responsibility for all infection control activities in the agency and HIPAA privacy officer responsibilities.

February 2007 – July 2007: **THE BRADLEY CENTER, Physical Health Care Coordinator**: responsible for coordinating all primary care for pediatric residents with significant mental health problems by managing clinic and staff including nurse practitioner, LPN, nursing support specialist and medical secretary.

January 1993 -December 1996: **CHILDREN'S HOSPITAL OF PITTSBURGH, Staff Nurse**: Provided direct nursing care to children on a medical unit on a part-time basis. Worked concurrently with full-time nurses to promote primary nursing. Actively involved in patient education with children and families.

July 1988 - December 1992: **SOUTHWOOD PSYCHIATRIC HOSPITAL, Program Coordinator**: Teen unit for inpatients ages 13-15 years. Immediate supervisor to direct care nursing staff and involved in coordinating treatment team activities, direct one-to-one counseling and group therapy. Middle management responsibilities: budgeting, scheduling, hiring, evaluating, and disciplinary processes. Also involved in monitoring quality assurance, risk management, and on-call accountability for decisions about nursing care. Active member of education and infection control committees; responsible for infection control surveillance and CPR instruction for the hospital. Participated in training staff and community education.

January 1987 - July 1988: **MARC E. GARFINKEL MD, Clinical Nurse Specialist**: Individual and group therapy with children and adolescents in private practice; supervised by board-certified child psychiatrist.

July 1980 - October 1984: **ST. FRANCIS MEDICAL CENTER, Assistant Head Nurse**: Psychiatric and psychosomatic adolescent units; inpatient and outpatient population. Active participation in development of psychosomatic unit; immediate supervisor to staff members. Actively involved in scheduling, hiring, evaluating and disciplinary processes. Created training programs for staff members; active member of policy committee and community mental health/mental retardation continuing education committee. Co-facilitated group therapy for adolescents.

May 1978 - July 1980: **ST. FRANCIS MEDICAL CENTER, Staff Nurse**: Psychiatric adolescent unit; planned and implemented creative activities for adolescents. Maintained therapeutic milieu; individual and group counseling of adolescent patients. Camp nurse experience for three summers with this population.

September 1976-April 1978: **MERCY HOSPITAL, Staff Nurse**: Evening charge nurse of medical-surgical adolescent unit which included a designated spinal unit and oncology unit. Team leader responsibilities included direct patient care, coordinating and directing activities of LPN and/or nursing assistant; creative teaching strategies utilized for children and parents.

Licensure and Certification

Date	Licensure Number	State
1979	RN220726L	PA
1997	CRNP TP004394D	PA
2001	167 Prescriptive Privileges	PA
2014	024057 Prescriptive Privileges	PA

Certification:

July 7, 2003:	<i>Medication Administration Trainer for Residential Treatment Facilities</i>
June 2000:	<i>Pennsylvania School Nurse Certification</i>
November 1997:	<i>National Association of Pediatric Nurse Practitioners, Certified Pediatric Nurse Practitioner # 97637</i>
September 1995:	<i>Teen FreshStart Smoking Cessation Facilitator</i>

Membership in Professional and Scientific Societies

National Association of Pediatric Nurse Practitioners (NAPNAP) since 1996, Fellow since 1997; *Executive Board, Member-at-Large, 2017-current*; Three Rivers Chapter, NAPNAP, *Program Chair Education Committee*, 1999; *President Elect*, 2000; *President* 2001; *Symposium Chair*, 2002; *Legislative Chair* 2008-15

Research

Title *A Nurse-Driven Model of Care to Promote Gender-affirming Care*

Date 2018, in review

Funding Source The Rita and Alex Hillman Foundation Emergent Innovation Award

Role Primary Investigator

Purpose: Development of a nurse-driven model aimed at providing inclusive health assessments to LGBTQIA+ persons to drive content of learning modules for undergraduate/graduate nursing students and continuing education for practicing NPs focused on culturally competent care of LGBTQIA+ individuals.

Title: Hilton Adolescent SBIRT Project

Date: 2015-17

Funding Source: NORC University of Chicago

Role: Field Testing of virtual simulation program

Purpose: To implement adolescent SBIRT education in interprofessional programs and to evaluate implementation barriers/facilitators, identify opportunities/needs, and develop resources that will facilitate broader adoption

Title *Understanding Factors that Impact Nurse Practitioner Recommendations of the HPV Vaccine*

Date 2014

Funding Source Community Leadership and Service Award Three Rivers NAPNAP

Role Principal Investigator

Purpose Pilot project surveying local nurse practitioners on HPV Vaccine recommendation practices

Title *Partnership Between Academic and Service Institutions: Implementation of a Faculty Preceptor Model*

Date 2013; 2015

Funding Source Distinguished Clinical Scholar Award School of Nursing University of Pittsburgh

Role Principal Investigator

Purpose Establish adolescent clinical course for NP students in intra-professional environment

Title *A Quality Improvement Initiative to Increase HPV Vaccine Uptake and Dose Completion Rates Using an Evidence-Based Educational and Reminder Strategy With Parents of Pre-teen Girls*

Date 2010

Funding Source Sigma Theta Tau International Nursing Society, Eta Chapter Clinical Award

Role Principal Investigator

Purpose QI project to increase HPV vaccine rates in girls 11-12 years old in primary care practice

Other Scholarly Activities

USPSTF Partner Representative for National Association of Pediatric Nurse Practitioners appointed 2012-2015; reappointed 2015-2018

Appointed member of NAPNAP Health Policy Committee, 2012-2015

Advisory Board Member (March 2014–current): Jewish Healthcare Foundation’s *HPV Vaccination Initiative* funded by the *Mobilization for Health: National Prevention Partnership Award (NPPA)* from the U.S. Department of Health and Human Services and the Office of the Assistant Secretary for Health; assists with review of community projects to increase HPV vaccine rates.

Content expert (September 2014): invited to serve for an initiative of the *County Health Rankings & Roadmaps* program, a collaboration between the University of Wisconsin Population Health Institute and the Robert Wood Johnson Foundation (RWJF) to review ratings for policies and program strategies for HPV vaccine promotion that will be added to *What Works for Health (WWFH)*, a searchable online database of strategies that can improve health.

Application Reviewer, *Nurse In Washington Internship (NIWI)* NAPNAP, Scientific Review for capstone projects IRB approval

Grant Reviewer, *Eta Chapter Sigma Theta Tau Research and Clinical Awards, Nightingale Awards, Distinguished Clinical Scholar Awards*

Interviewed for publication of article in *Pitt Nurse, Health Care Reform*, published May 2011

Day on the Hill, 2011, Legislative Workshop with NAPNAP in Washington, D.C.

Manuscript Reviewer, 2010-current, *Journal of Pediatric Health Care, Journal of Pediatric Nursing, International Journal of Women’s Health, Health Education Research Journal, BioMed Central Public Health*
