

## Health Evaluation Forms

All nursing students must have an initial health evaluation upon admission to the School of Nursing, plus an annual update evaluation until completion of the program. Students are ineligible for registration or participation in clinical activities until the completed health form has been submitted. Please refer to [Policy 370](#).

The School of Nursing [Initial Health Form](#) and the [Annual Health Form](#) can be downloaded and printed from ProjectConcert. Students MUST upload each completed form in ProjectConcert on or before the dates below:

- |                |  |
|----------------|--|
| BY August 1:   | All new students must upload an Initial Health Form      |
