

# UNIVERSITY OF PITTSBURGH SCHOOL OF NURSING

## Internal Transfer Application

Students must complete and submit this form and an Undergraduate Change of Program Form (available at respective academic center) to their current academic advisor. **Students should not submit forms directly to the School of Nursing.** The Student Records Office will forward both forms and student's academic file to the School of Nursing.

Application deadlines

- Spring Term: (freshman placement only)  
 Deadline: November 1  
 Fall Term grades must be evaluated for final determination
- Fall Term: (freshman & sophomore placement)  
 Deadline: April 1  
 Spring Term grades must be evaluated for final determination

While awaiting the admission decision, applicants are advised to meet with their current advisor and register for classes, to maintain full-time status. If admitted, students will be enrolled in nursing classes. The School of Nursing will notify the applicant of its admission decision via student's Pitt e-mail.
